CASES OF THE COLLINS METAL
(improved croide).

Our superior Oroide Watches having been recently imitated, and worthess ones sold represented as our watches, we hereby caution the public against them and give notice that we are in no way responsible for these bogus concerns and only those purchasing directly from us can secure a genuine watch of our manufacture. We have recently greatly improved our oroide in appearance and durability, and, to protect the public from impositions herafter, have named it with the properties of this name will be prosecuted to the extent of the law. This metal has all the brilliancy and durability of gold and gamed be distinguished from it by the best judges, retains fac color till worn out, and is equal to gold excepting in intrinsic vaiue. All our Gentlemen's Watches are full jewelled patent levers; those for ladies an improved excapement, better than a lever for a small watch, all in hunting cases and rully guaranteed by special certificate. The 5th watches are equal in neatness, style of finish and general appearance and for time to a gold one costing \$100. Those of \$20 are of extra fine finish, and are fully equal to a gold watch coefing \$200. Chains of every style, from \$2 to \$6. Also Sewelry of the Collins metal in every style.

Goods sent to any part of the United States by express, to be paid for on delivery.
